URECKA

INTRODUCTION:

Ureckon is a platform where you can showcase your innovative talent. Nothing is more important than your imaginations and creativity. This is the biggest platform to implement your ideas, thoughts and imaginations into reality. You make one prototype model to showcase and present your idea in front of the tech-world.

PROBLEM STATEMENT:

In this event, the participants have to demonstrate their models to the judges.
Winner will be decided as per the marking of the respected judges.
